### How to book

Please telephone, fax or email to check availability. Phone bookings can be taken with a debit or credit card. Note that we can only accept firm bookings and regret that we are unable to take "provisional" reservations. Don't worry too much about picking the right course in advance. For those who are not sure which course, with low numbers aboard and in the classroom, we will pick you up where you're at – and take you as far forward as possible. Without pressure, you will end up with a certificate to the level you reached. Please don't hesitate to give us a call if you have any queries no matter how small.
